

Women's Deer Hunt

DATE: Nov. 13-15 or Dec. 4-6, 2026

LOCATION: Little Orange Creek,
Hawthorne, FL

We are looking for women with limited or no hunting experience who would like to expand their knowledge and skills during a safe and educational mentored hunt weekend. Each hunter may have the opportunity to harvest a buck, a doe, or a hog.

- Hunters and guides are encouraged to camp onsite (in tent/camper). Applications are due 1 month prior to the hunt you are registering for. All applicants will be contacted the following week (whether your name was drawn or not).
- Hunter must have a current hunting license and be hunter safety certified. Go to myfwc.com/license for more information or to purchase license.
- Once your application is accepted, you will receive more detailed information regarding this hunt.
- Additional family members are welcome—\$40 adults and \$30 youth (under 11)

- Activities will begin on Friday afternoon on the shooting range, followed by a group dinner and overview of the hunts. Saturday will involve a morning and afternoon hunt, with fun activities in between. We will hunt again on Sunday morning, then clean up camp before heading back home. All meals are included.

If you have further questions, contact the huntmaster, Missie Schneider (352) 316-0073 or gatorgobblers.nwtf@gmail.com

HUNT APPLICATION

Name _____ Date of Birth _____

Address _____

City _____ State _____ Zip _____
